Policies and Procedures

Absences

There is no tuition reduction for absences (except in the case of an extended illness of a child). A doctor's statement will be required for such an illness. Please call the Director's office if your child is not in class.

Kindergarten Attendance Policy

Attendance Policy According to the STATE LAW ON SCHOOL ATTENDANCE (70-10-105), it is unlawful for a parent of a child ages 5 to 18 to neglect or refuse to cause or compel such child to attend some school and comply with its rules. Failure to do so can result in court action.

Good attendance is essential to success in school, and poor attendance habits create problems at school and at home. Therefore, students entering the school system during a semester must provide an attendance record from their previous school to be applied to this policy.

Student Absences School law (70-10-106) also states that (1) a complete attendance record is to be kept by the school, (2) parents shall notify the school concerning the causes of a school absence, and (3) unless so notified, the teacher and director shall "attempt" to notify the parent of the absence.

A student may not miss more than ten days of school per semester. On the eleventh absence, the student will receive a failing grade.

Parents must verify absences by messaging the classroom teacher and director in the Brightwheel App on the day of the absence.

If a parent/guardian does not notify the classroom teacher and the director through the Brightwheel app within 24 hours of the absence, the absence is considered unexcused. Parents can expect to be notified of absences through the following actions:

- Attendance conferences with the Director as needed.
- Letters of notification for four absences
- Letters requesting a conference at six absences
- Certified letter for notice of excessive absences and referral to attend Tulsa County Truancy Board at ten absences.

The following absences will count toward the ten absences allowed each semester:

AE-Explained Absences

Absences are coded as explained absences once a parent/guardian contacts the classroom teacher and director to approve the absence for their student. Parents must contact the teacher and director through the Brightwheel app within 24 hours of the absence. Schoolwork requests will only be granted if the student will be out for three or more days due to illness.

AU—Unexcused Absence

Unexcused absences are not documented with proper information regarding the student by a parent or guardian who does not contact the teacher and director through the Brightwheel app. Excessive absences or failure to comply with the proper procedure can result in a referral to the county truancy board. Absences due to unexcused absences are defined as absences from school without the permission of the teacher and director. A student will not be permitted to make up assignments or tests due to an unexcused absence related to truancy.

The following absences will count toward the ten absences allowed each semester:

One-half day's absence will be recorded if a student misses 3 ½ hours or more daily.

- a) Students arriving at school after 10:00 will be counted as absent 1/4 day.
- b) Students who leave school before 12:30 will be counted absent for a 1/4 day.
- c) Perfect attendance is no absences, tardies, or early checkouts.
- d) Students will be dropped from enrollment when absences exceed ten days in a row. Upon return to school, they must be reenrolled with an additional \$75 enrollment fee paid in advance.

Attendance Appeals Procedure The director or JOY Ministry Team must approve exceptions to attendance policies. Students missing more than ten days must make an attendance appeal before grades will be given.

This policy states that absences from school may be excused for the following reasons:

- A. Personal illness attendance in school would endanger the health of others—verified by a note from a doctor or dentist of the health department.
- B. Death or severe illness in the immediate family, verified by parents. Immediate family is a parent, sister, brother, grandparent, or other relative residing in the home.
- C. Recognized religious holidays-Observed by their faith, verified by parents and church officials. Church officials should give advance notice to the school's administration before the religious event.
- D. Legal/court appearance mandated by order of government agencies.
- E. Hazardous conditions-When conditions render attendance impossible or hazardous to student health or safety.

Tardy Policy – A child will be considered tardy when they arrive after 8:40.

Students must arrive at school on time so the class can begin promptly. If students arrive late, they start the day already behind their peers. Class is in session, which disrupts the teaching/learning process.

5 Tardy Consequences

- 1st Tardy: No disciplinary action was taken.
- 2nd Tardy: No disciplinary action was taken.
- 3rd Tardy: A warning letter will be sent home.
- 4th Tardy: A second warning letter will be sent home.
- 5th Tardy: Parent meeting with the director.

Make-Up Work If a student is absent and the absence is either excused or explained, then the student will have one day for each day absent to make up the work. If the work is one day late,

the most credit it will receive is 50%. If the work is two or more days late, it will receive a score of 0%.

Arrival and Departure

All parents are to use the east door to enter the building.

Sessions begin at 8:30 a.m. Parents and children are asked not to arrive any earlier than 8:25 a.m. Please sign your child in with the Brightwheel App before a child enters the building. The child's temperature will be taken at the door, and children will place their belongings properly and then proceed to the Chapel. Activities will begin immediately, so you will want your child here at 8:30 so they don't miss anything! The chapel begins at 8:35. If you arrive after 8:45, you must wait until 9:00 to enter. All staff and children will be attending Chapel during that time frame.

Children may be picked up at any time but **MUST** be picked up by 1:40 or 2:10 for kindergarten. The babies-tuos class and kindergarten pick-up are under the north canopy, and K3-K4 pick-up is at the east doors. You will sign your child out with the Brightwheel App. Remember, waiting to be the last one picked up by a young child can seem like an eternity. If you will be late, please call so we can reassure your child. A late pick-up fee of \$10.00 per 10 minutes per child. The amount will be due with your tuition payment for next month.

Birthdays

Birthdays are a special time for young children, and we encourage you to plan a celebration so that your child may share their birthday with their friends at school. Birthdays for children who have had a birthday in a particular month will be celebrated on the last Thursday of that month. You may wish to send party napkins, snacks, and drinks for the celebration. Please check with your child's teacher in advance about arrangements for your child's special day to avoid scheduling conflicts and allergies.

NOTE: Private party invitations will not be distributed at school unless the entire class is being invited. If outside birthday parties are arranged and the whole class is not invited, these invitations must be mailed to the home.

Child Abuse

J.O.Y. Preschool and Kindergarten has and will conform to state law requiring that we report any suspected abuse to Child Protective Services of the state of Oklahoma. A staff member is not required to inform the administration when making a report. The report will be made no matter who the suspected perpetrator may be. Parents have the same right to report suspected abuse. Any individual convicted of committing any act of immorality toward children will not be employed by J.O.Y. Preschool and Kindergarten.

Clothing

Please dress your child comfortably for play. This means clothes that can have finger paint, dirt, or water on them. Children should be dressed in clothes that they can manage themselves to help them become more independent. One-piece garments, large belt buckles, overalls, etc., can be very discouraging for the child. Girls need to wear shorts under dresses.

We go outside in all weather; please dress your child appropriately. We will go outside if the temperature or wind chill is 40 degrees or above. We will stay inside if the temperature or heat index is 100 degrees or above. We have a shortened recess if the temperature or heat index is 90 degrees or above. **Please label all outside clothes with your child's name.** It may be difficult for young children and teachers to distinguish between similar-looking coats or jackets. In spring and fall, it helps if you will send a jacket or sweater since the weather can change quickly. **Flip-flops are not allowed. All shoes need to be secured to the foot for safety.**

EXTRA CLOTHING: Children must always have additional clothing in their backpacks. Sometimes, accidents happen during the day, and your child's clothes may need to be changed to stay clean and dry.

Communication

Communication with parents is a vital part of any early childhood program. Notes about each day's activities will be posted in the Brightwheel App.

At the beginning of the year, you will receive a folder. The folder will be used to send important information home. Please remove the necessary information and return the notebook the next day your child comes to class. Replaced folders will be charged to your account at \$2.00 each.

All phone communication with your child's teacher must go through the Director's office. **Please do not call the teacher's cell phone** to inquire about your child or activities during school hours. You may contact your child's teacher using the Brightwheel App. Please respect the teacher's family time and limit communication during the evening hours.

Conferences

Parent-teacher conferences will be held once a year. The meeting is scheduled in January. If at any time you would like to visit with your child's teacher, please arrange a time for a phone conference rather than discussing the child in their presence. K3, K4, and Kindergarten will receive report cards at the end of each semester. One's and Two's will receive a Development Progress Report at the end of each semester.

Discipline

The goal of J.O.Y. under the guidelines of First Baptist Church is to guide children to become self-disciplined and to accept responsibility for their behavior. Inappropriate behavior and or language and physical or verbal abuse are not allowed. Such behavior issues would be brought to the attention of the First Baptist Church Safety Committee. Respect for property and others is promoted. Teachers will use positive guidance, re-direction, and setting clear limits that foster the child's ability to become self-disciplined. Teachers will model appropriate behavior and encourage children to be fair, honest, trustworthy, and respectful of people and property.

Teachers will guide children to develop self-control and orderly conduct in relationships with peers and adults. The teacher will intervene immediately if a child becomes aggressive to protect all children and encourage acceptable behavior.

Steps from Routine to More Firm Measures

1. A firm, straight look.
2. Correct a child with a firm, low, quiet voice.
3. Have the child put his head down.
4. Have the child stand or sit in the back of the room or stand by a chair.
5. Loss of privileges
6. A Firm look outside the room.
 - a. Look into the child's eyes.
 - b. Let them know we mean what we say.
 - c. When the child does wrong or disobeys, he is disciplined to guide appropriate behavior. (Not punished).
7. Child visits Director
8. Notify parents of significant problems and expect corrections to be made at home.
9. All discipline is done discretely. We avoid drawing it to the attention of the other children in the class. It is a matter between the teacher and the student. After a child has been disciplined, he starts over with a fresh, clean record.

*Suspension from school.

Students suspended for five days in a year will be expelled from school. If a student is expelled, they will only be readmitted on probation in the next year.

Parents are liable and responsible for damage and injury to property or other people while their child is at school.

Emergencies

Accidents happen! We are active outside and inside during the day; sometimes, children get bumped heads and scraped knees. When a child is hurt at school, teachers will administer appropriate first aid and hugs and complete an "Incident Report Form" to send home with the child so parents know about the accident.

In case of an accidental injury (or life-threatening condition), an immediate attempt will be made to contact a parent. If a parent cannot be reached, emergency numbers on the enrollment form will be tried. If necessary, an ambulance or paramedics will be called. Parents are expected to assume responsibility for any resultant expense.

Children and teachers practice fire drills regularly so children will be familiar with the routine and can leave the building quickly in case of fire. A specific procedure is provided for teachers and children to follow in case of fire. The fire alarm will ring one continuous bell. Teachers will evacuate the building and take the children to a safe area. Children will be counted, and staff will notify the administrator of the class's safety by color cards. Color Cards are green- "all clear," blue- "medical attention" and red- "missing child." Evacuation plans are posted in each classroom.

Severe storm and tornado drills will be conducted between March and June. In severe weather, the school staff will listen for directions from the National Weather Service. If directed to take cover, an alarm of three short bells will sound, and children will be taken to a designated safe area within the building. All children are moved immediately when the tornado alarm sounds. Children may be picked

up from school if a “Tornado Watch” has been issued. However, if a “Tornado Warning” is issued, we have taken cover and will not be answering the door; our attention will be directed to keep all of the children safe.

Enrollment

J.O.Y. Preschool does not discriminate based on race, color, sex at birth, or national or ethnic origin in determining the admission of students or the administration of educational policies and programs. Age guidelines for enrollment follow the Skiatook Public School cutoff date. To be considered for enrollment into a specific program, we prefer children to be potty trained to enter the K3 and K4 programs. All new students are enrolled on a probationary basis for the first year. J.O.Y. is a private school and reserves the right to refuse entrance or continued enrollment of a family who does not adhere to the handbook's policies and hinders the purpose, vision, and good of J.O.Y. Preschool & Kindergarten. Such enrollment decisions would be a rare event at J.O.Y. and will be initiated by the Director. Such action can be appealed to the J.O.Y. Preschool Ministry Team. Any appeal to the J.O.Y. Preschool Ministry Team should be arranged with the Team's Chairman. An appeal meeting may be attended only by the parents or legal guardians.

Registration for the upcoming school year begins in March. Priority for enrollment will be given to returning children who are currently enrolled and First Baptist Church members. To start the enrollment process, we encourage all parents to read this handbook and familiarize themselves with the policies and procedures of J.O.Y. Preschool and Kindergarten. Next, complete the enrollment packet.

*Return the completed application, birth certificate, immunization record, and enrollment fee.

*Pay the Book and Supply fee by the date due. *Make the first tuition payment by the date due.

Field Trips

Field trips help children discover and explore their world and provide experiences they can build. During the year, the teachers have the option to plan field trips that coincide with the curriculum units being studied in the classroom. Parents will be notified before each field trip, and parent support is required to ensure the safety of children. Parents accompanying their children on a class field trip are encouraged to leave younger children in childcare.

The guidelines below will be observed during all J.O.Y. Preschool & Kindergarten field trips.

- A child must return an official signed permission to the teacher to attend the field trip. Handwritten notes, phone calls, or other substitutions will not be accepted except for the official permission slip.
- A child must wear their J.O.Y. school T-shirt on the field trip. The shirt takes the place of name tags that could be lost.
- Teachers will have a photograph of your child wearing their school t-shirt on file for the field trip.
- Permission to ride in the van or other approved transportation must be approved by the parent on the permission slip.

- When traveling in the First Baptist Church vans, parents must install their child’s car seat.
- Children will be loaded and counted in the church van or other approved transportation.
- While in the van or other approved transportation:
 - Seatbelts will be worn.
 - Children may talk quietly to the person beside them.
 - One sponsor may be needed to accompany the teacher in the van.
- Upon arrival at the destination, children will be assigned to a designated sponsor. The sponsor will be responsible for the children’s safety and protection during the trip. Each sponsor and group of children will check in with the teacher at designated times.
- At the time of departure, all children will be loaded and then counted.
- No one leaves the field trip site until all children are accounted for.
- In the event a child is unaccounted for:
 - Management and on-site security will be notified, and an intensive search for the child will begin.
 - If the child is not located within minutes:
 - Local authorities will be called.
 - The school and church will be notified.
 - The director will contact the parents.
 - The teacher or other school official will stay on site.
 - School personnel will arrange for the other children to be escorted back to the school.
- All children will return from the field trip to the school in the van or approved transportation. An exception will be made **ONLY** if an attending parent sponsor has made prior arrangements with the teacher to check out their child and take them home directly from the site.
- If additional seatbelt space is needed for children, approved Parent Sponsors may be used to transport children other than their own. **ALL DRIVERS** must submit a **First Baptist Church Volunteer Application** 1 week before the field trip and must provide a copy of a valid **Oklahoma Driver’s License and Liability Insurance** for **EACH** field trip.

All the guidelines are designed to protect and provide a safe and enjoyable trip for the children and parents. If you have any questions, please get in touch with the Director’s office.

Food

Each child must bring a lunch and drink to school each day. Always label the **outside** of the lunch box or bag with your child’s name. Do not send anything that needs to be refrigerated or heated. Please make “finger-type” foods the child can manage independently (except in the baby room). Please limit the number of sweets in the lunch. Soda and candy are not encouraged for lunch in the box. Please

send food that you know your child will enjoy. We will encourage children to make healthy choices in the food they select.

Children will not be allowed to share lunches. Open, non-sealable leftover food will be discarded and cannot be returned to the lunch box.

Snacks are provided daily for the children. We serve “peanut-free” snacks. Please notify the teacher and the director if your child has a food allergy. We try to accommodate many allergies but cannot possibly cover all. You may sometimes be required to provide snacks or party food for your child due to the food allergy.

Health

Only well children will be accepted at school. Please do not bring your child to school if they have been running a fever or has the possibility of a contagious disease. J.O.Y. does not assume responsibility for the illness or the care of sick children.

Your child’s immunization record and completed emergency information sheet must be submitted upon admission and before the first day of school.

Precautions will be taken to safeguard the group's health. Should a child become ill during the day, the parent will be notified, and arrangements must be made to pick up the child immediately. If a child exhibits any of the following symptoms, they must be picked up: fever of 100.4 degrees or more, vomiting, diarrhea, or red/matted eyes. If your child is not well enough to go outside, they should not attend school that day.

Children are not permitted to attend if:

- Child has a fever or has had a fever of 100.4 in the past 24 hours. They must be fever-free for 24 hours **WITHOUT** the help of medication.
- Child has vomited (2 or more times) or had diarrhea (runny or watery stool) in the past 24 hours.
- Child has a green or yellow runny nose. (Anything but clear discharge)
- Severe and persistent cough, where a child gets red or blue in the face, makes a high-pitched whooping sound after coughing, or coughs to the point of vomiting.
- Undiagnosed body rash or pox, except diaper rash, with fever.
- Draining skin wounds that cannot be covered entirely by a bandage.
- Sore throat with fever and swollen glands
- Eye discharge, defined as thick mucus or pus draining from the eye or Conjunctivitis (pink eye) without evidence of allergic reaction.
- Yellowish skin or eyes.
- Appears to be severely ill from an unexplained cause, such as extreme lethargy, irritability, persistent crying, difficulty breathing, or any other unusual signs.
- Any communicable disease.
- A quick health check will be conducted when the child is brought to school.
- If a child becomes ill while in the preschool area, parents will be notified promptly.
- If a child is being treated with an antibiotic, they should have received treatment for at least 24 hours before coming to school.

Prescription medications must be given to the Director, not the teacher. The request to administer ANY prescription medication must be made on a “REQUEST FOR DISPENSING MEDICATION” form and on file with the Director. Any time there is a change in medication or the administering of medication, a parent must fill out a new form. No prescription medication will be administered unless the medication is contained in the original container. Prescriptions must correctly state the child’s name, the doctor's name, and directions for administering dosage on the bottle. The parent must count prescription tablets before giving them to school personnel. The school personnel will also count tablets. This will help school staff monitor the availability of medicine for each student and be able to tell better when more meds are needed. Only a dosage prescribed by a physician or the manufacturer’s recommendations will be administered. Students will be sent to the Director’s office to receive medication. If there are questions regarding the administration instructions, you will be contacted by note or phone. **ATTENTION!! DO NOT** leave medications (even cough drops) in a child’s backpack or lunch box. This could present a potential hazard that we want to avoid.

J.O.Y. staff cannot administer over-the-counter medication to children or apply sunscreen. Parents must come to the school to administer such medication.

Hygiene

Babies—2’s will have diapers changed in the classroom. Twos will have access to a restroom in the classroom. Once potty training begins, all children are responsible for their bathroom hygiene. Staff does not wipe bottoms once potty training has started but will instruct and guide the child on the proper procedure. In the case of diarrhea, staff will assist with the clean-up procedure and then notify the parent to pick up the child. Written permission is required to apply diaper creams to infants.

Parent Involvement

Parents are encouraged to participate in their children’s activities. J.O.Y.'s doors are always open to parents, so they may come and go whenever they wish to observe the activities in their child’s classroom. Parents’ observations, comments, and suggestions are always welcome. If you want to volunteer, a completed First Baptist church Employment/Volunteer Application must be submitted one week before the event.

Program

The J.O.Y. program has been planned to aid your child's intellectual, emotional, social, physical, and spiritual growth. Your child will participate in a variety of developmentally appropriate activities. These activities vary but often include the following: Art, Music, Physical education, Blocks, Health, Science, Poetry, Chapel, Stories, Field Trips, Bible Stories, Bible Memory Verses, Dramatic Play, Outdoor Play, Free Play, Language, and Reading Readiness, Puzzles, and Manipulative, Fine and Gross Motor Skills, Math Concepts, Christian Concepts, and lots of Special Loving Care.

Nap Time

Children in our Ones-Twos class will have a rest time following the afternoon recess. JOY will provide a cot and cover. The mat will be stored and cleaned daily. Any rest-time friends will be stored in the child’s backpack. ***Written permission is required to swaddle children.***

School Closing

We will follow the same policy as Skiatook Public Schools for holidays, breaks, and closing due to bad weather. Check your TV for school closings.

School Pictures

In the fall and spring, a professional photographer will visit the school. Your child's teacher and the school newsletter will notify you of "picture day."

Signing In and Out Daily

It would be best to accompany your children to the door when they arrive at school each day because teachers cannot know that the child has entered the building. Therefore, the child is unsupervised. ***WE MUST HAVE A RECORD OF EACH CHILD WHO IS ATTENDING ON A PARTICULAR DAY within the BRIGHTWHEEL APP***

It is equally essential for you to sign your child out each day. ***We MUST HAVE A RECORD OF WHO PICKED UP EACH CHILD AND AT WHAT TIME within the BRIGHTWHEEL APP.*** Children will only be allowed to leave school with persons listed on the "Pick-Up Record" that is on file. CHILDREN WILL NOT BE RELEASED TO PERSONS NOT ON THE LIST; we reserve the right to request identification from anyone desiring to pick up a child from J.O.Y. If parents are divorced or separated and one parent is not allowed to see or pick up the child, we must have a certified copy of the court order of Final Judgment on file in the office.

In an emergency, you must call the J.O.Y. office and provide the name, relation, and description of the person being sent to pick up your child. Upon that person's arrival, they must go to the J.O.Y. office, show a valid photo ID, and receive permission to pick up the child.

Staff

A competent Christian Staff has been chosen to give loving, gentle care to your preschooler. These teachers have decided to teach in the learning center because of their love of children and their enthusiasm for teaching your children. Many of our staff, including assistants, have college degrees, and all have experience with young children. Our staff attends regular devotions and staff meetings and continues their education by attending training workshops offered by professional education organizations. Our staff has completed sexual abuse awareness training and trauma awareness review and passed background checks.

Toys

The children play with school toys at school and their toys at home. The toys at school belong to all the children, and we share them. When children bring a toy from home, they are reluctant to share it; therefore, children are asked not to bring toys to school except for toys that serve as security items. Security toys should be labeled appropriately.

- 4. According to the program my child is enrolling in, a non-refundable book and supply fee is due.
- 5. For nine payments, tuition payments are due by 3:00 pm on the 5th of each month, August through April. The tuition payment remains the same regardless of vacations, breaks, or holidays that may occur.
